### *The Class Of "82"*

We grew up together- the class of '82. Now it's time to say "goodbye", and "I'll remember you". How did time fly by? Wasn't it yesterday we couldn't wait for recess, for we had games to play? Jr. High was something new. We got to go to dances where we fell deeply in love. Who could forget the romances? Suddenly we were freshmen in Crowley Country High.

Frankly we were pretty scared, but somehow we got by. In class competitions we fought to the end. We all stuck together but didn't always win. We became even closer- working side by side. Whether we won or lost, we had our class pride. Hey, world, look out! We are coming through- The "Animal House" of CCHS. The class of '82!

### *Where Did You Come From, Baby Dear?*

Where did you come from, baby dear?  
 Out of the everywhere into here.  
 Where did you get your eyes so blue?  
 Out of the sky as I came through.  
 What makes the light in them sparkle and spin?  
 Some of the starry spikes left in.  
 Where did you get that little tear?  
 I found it waiting when I got here.  
 What makes your forehead so smooth and high?  
 A soft hand stroked it as I went by.  
 What makes your cheek like a warm white rose?  
 I saw something better than anyone knows.  
 Whence that three-cornered smile of bliss?  
 Three angels gave me at once a kiss.  
 Where did you get this pearly ear?  
 God spoke, and it came out to hear.  
 Where did you get those arms and hands?  
 Love made itself into hooks and bands.  
 Feet, whence did you come, you darling things?  
 From the same box as the cherubs' wings.  
 How did they all just come to be you?  
 God thought about me, and so I grew.  
 But how did you come to us, you dear?  
 God thought about you, and so I am here.
